

STATE OF TENNESSEE
DEPARTMENT OF PERSONNEL
SEPTEMBER 2005

*****SPECIAL NOTICE*****

Conversion of Selected Job Classifications from Continuous Examination Status to Announced Examination Status

Until further notice the Department of Personnel will not be accepting applications for admission to the examination (i.e., training and experience evaluations or written tests) for the job classifications listed below. Future examinations for these job classes will be announced at the request of state agencies when they wish to fill vacant positions. These announcements will be posted on the Department of Personnel website (www.state.tn.us/personnel) and will include opening and closing dates for receipt of applications.

Effective date for conversion of these classifications to “Announced” status is September 1, 2005. Please note that there are approximately 200 other job classifications for which applications are accepted on a continuous basis (i.e., there are no announced “opening” and “closing” dates). To get information regarding these job titles you may also visit the Department of Personnel’s website.

(Note: The salary ranges for job classifications listed as “Grade 900” are not within the general compensation structure. A special salary range is approved by the Department of Personnel and by the employing agency. Contact the Human Resouces Office of the employing agency for current information.)

Please Note: Any applications submitted for these job classifications prior to September 1, 2005, will be processed and application evaluation results will be mailed. However, the waiting time for those results may be significant (possibly 32 weeks or longer) due to the tremendous volume of applications received in recent months.
